English

doctor tsunami. doctor binocs tsunami. doctor who solar tsunami

What a great game! As a casual game, this game did everything right. The levels were interesting, the visuals were stunning, the gameplay was fluid, and the experience was grand. I'm blown away this was designed by such a small team.. What a great game! As a casual game, this game did everything right. The levels were interesting, the visuals were stunning, the gameplay was fluid, and the experience was grand. I'm blown away this was designed by such a small team.
